Soaring Pines Renovation

Terrace Level Remodel • Project Cost: $268,815

This modern residence situated in the Ramble was constructed by Buchanan in 2020, and has recently undergone a lower level renovation to the previously unfinished basement. The area now features a contemporary kitchen with elegant cabinetry, a spa room adorned with serene design elements, and a versatile guest/office suite complete with a Murphy bed and a bathroom featuring beautifully designed tile. It also features a new terrace level perfect for entertaining.

Scope of Work: Full Terrace Level Renovation • Added kitchenette, one bathroom and one half bath/spa room and a bedroom/office • Addition of exterior deck
